

The Archaeology of a Changing Landscape The Last Thousand Years in Merseyside

Journal of the Merseyside Archaeological Society
Volume 11 2002

Journal of the Merseyside Archaeological Society

Compilers: Jennifer Lewis and Ron Cowell

Volume 11 2002

The production of this volume was supported by financial assistance from the National Museums and Galleries on Merseyside, St Helens Metropolitan Borough Council Department of Urban Regeneration and Housing, St Helens Metropolitan Borough Council Department of Information and Heritage Services, Knowsley Council Department of Planning and Development, Sefton Council Department of Planning and CBA North West.

EDITORIAL

We are grateful to National Museums and Galleries on Merseyside who have provided support and assistance in the production of this volume.

Thanks are also due to the authors and referees. Editorial duties have been undertaken by a sub-committee comprising Dave Roberts, Jenny Woodcock, Julia McLaughlin Cook, Barry Faulkner, Cathy Jones and Mark Knowles. Laurence Hayes has provided technical assistance in the production of the cover and drawings and Maureen Smith helped with the formatting of the text.

The front cover photographs have been provided by Rob Philpott. The back cover has been re-produced from an original document held by Lancashire Record Office and is used with their permission.
